What can I do to make move-in easier?

- Talk with your roommate(s) to decide what items you will share (television, stereo, refrigerator, phone, etc.).
- Make sure all of your belongings are packed and labeled with your name and room number.
- Bring a hand truck or cart to help move larger items.
- Ask Orientation Leaders for help carrying items - they are there to help!
- Remember that due to built-in furniture, lofts are not permitted in Russell Hall. They are also not permitted in the Apartments at UMW.
- Dress appropriately and have some cool water with you.
- Bring your sense of humor!
