Traditional Housing Agreements

Only complete the agreements that are applicable and provide your dated signature in the box.

RA Roommate Agreement

Name of RA _____ Building/Room _____

I, the undersigned student, acknowledge that I am accepting an assignment as a RA Roommate. I understand that I will be reassigned elsewhere in campus housing should the RA resign from the position or be terminated during the academic year.

Single Room Agreement

Hall and Single Room _____ ID# _____ Campus Box # _____

By signing this form, I am accepting the additional fee charged each semester for a single room. The current charge for a single room is \$2,558 **per semester**. The Office of Student Accounts will bill me through eBill. The Board of Visitors sets the fees each April for the coming academic year and these fees are posted in May at http://www.umw.edu/studentaccounts/room_board/default.php.

ADA Equipped Room Assignment Agreement

Building _____ ADA equipped room _____

I, the undersigned student(s), acknowledge that I am selecting/accepting assignment to a room that is ADA equipped. Should this room be needed to medically accommodate another student, I understand that I could be reassigned to another room. It is my understanding that should reassignment become necessary, effort will be made to reassign me to an empty space with respect to my listed roommate preferences. If an empty room is available, my roommate(s) and I may elect to be reassigned together to the empty room.

Overfill Room Agreement

Building _____ Overfilled room _____

An overfilled room is a room in which all the residents agree to permit an additional person to be assigned to the room over the designated capacity of the room. Overfilling is not permitted in Alvey and Arrington Halls as well as in singles, triples and quads in traditional housing. *Please note that the Office of Residence Life does not encourage students to overfill rooms.*

Students who overfill spaces do so with the understanding that a data port connection may not be available for each student to have their own personal computer. Hubs are available from the Technology Center.

By signing below, I realize I am choosing to live in an overfilled room. An overfilled room is billed at the rate of the number of residents residing in the room. Should any resident move out of the room, the room immediately reverts to the original designated capacity and charge of the assigned room.
