Fall 2008 Application for Campus Housing Wait List

Please read over the application thoroughly and complete both sides of the form before it is submitted.

Please complete the following information to ensure the processing of your request for campus housing is quick and smooth. Should space become available, you will be emailed the room/apartment information and given 24 hours to respond to accept or decline the offered space. You will also be contacted via phone to alert you of the emailed information.

If you accept the offer of an available space, you will be required to submit a completed housing and dining contract, downloaded from our web site, and pay the \$200 non-refundable housing deposit in order to confirm the assignment. Additional forms are also required of students accepting assignment in the UMW Apartments, a single room, or as a Resident Assistant's roommate.

If you are declining an offered space, please respond as quickly as possible so we may contact others on the wait list.

Should you decline an offered space, your name will be moved to the bottom of the list unless you notify us to cancel your request for housing.

Students on the wait list who request a space in the UMW Apartments are required to have junior or senior status by the end of the Fall 2008 semester.

Personal Information

It is important that your contact information be legible on this form and that you update this information should it change. Please complete both sides of the form.
