(*course*) = course no longer available

(*instructor*) = instructor no longer available

NOTE: See the list in the Schedule of Courses for each specific semester's General Education courses. The ATC designations on this list **are possible but may not actually be available** in any given semester.

revised October 30, 2007

NOTATION KEY:

F = fall semester SP = spring semester SS = summer session

No date= the designation and/or instructor were effective Fall 1997 at the beginning of the New General Education system.

One date = the date that the designation and/or instructor became effective.

Two dates = the beginning and ending dates for a designation, designation **deleted**.

No instructor = no restriction, any instructor is approved for the designation.

Instructor name(s) = only the instructor(s) listed are approved for the designation.
Effective F'97 for RA and SI.
Effective SS'00 for GA.
Effective SP'01 for EA.
Effective F'04 RA may be course-specific.

GA, RA, and SI courses may be approved by the ATC committee as course-specific or instructor-specific. EA and WI committee approvals are course-specific. GA, RA, SI, and WI may be taught with or without the ATC designation as determined by the department semester by semester, section by section.
