University Hall • Stafford Campus
University of Mary Washington • 121 University Boulevard
U.S. 17, North • Fredericksburg, Virginia

A Sensory Showtime Event is in conjunction with Sensory Processing Disorder (SPD) Foundation and National Sensory Awareness Month. Events include a presentation of the film *Graham's Story*, poster sessions, a discussion of sensory integration, dialogue with parents, and networking with local community agencies. Please visit www.spdfoundation.net/showtime for more information.

These free events are sponsored by the University of Mary Washington, which offers a Certificate in Teaching Students with Autism and the Board Certified Assistant Behavior Analyst Course Sequence.
