

Your Financial Aid Award for 2009-2010 is Ready!

Please view your award and read all documents listed in this letter before contacting our office.

Your application for financial aid at UMW has been reviewed and an award or revised award is now viewable through your Eaglelink portal. Carefully read this notice as well as all attachments and/or Web page links! You will **NOT** receive a financial aid award letter or paperwork in the mail. Be sure to print this letter, the **'2009-2010 General Information'*** from our Web page and your award from the Eaglelink portal. Instructions for navigating the Financial Aid section in Eaglelink are located on the Financial Aid Web page at www.umw.edu/financialaid and can also be accessed through the portal.

Initial awards are based on full time enrollment for undergraduate students and on half-time enrollment for graduate students. **State grants and scholarships, federal grants and institutional scholarships will disburse at prorated amounts for students who are not enrolled full time.** Adjustments to awards will be made after enrollment verification at the end of the third week of classes. To reduce/decline any part of your award, notify the Office of Financial Aid via E-mail at finaid@umw.edu or print the award page, cross out the amount listed, write in the new amount, initial your changes and fax or mail the page to our office.

Need-based assistance included on the award was determined from the results of the FAFSA. Corrections or changes to the original application, receipt of assistance from other sources, or changes in enrollment status can result in changes to the award. Students must be enrolled at least half time (six credit hours per semester) to receive aid. CGPS students should review the **'CGPS Financial Aid Supplement'*** (on the Financial Aid Web page within **'2009-2010 Financial Aid Information and Form's**) for specific information regarding half time enrollment.

The Office of Financial Aid begins loan processing mid to late July. Students may check their loan status on-line at www.elmresources.com in August. Parent PLUS loan information is available on our Web page at http://www.umw.edu/financialaid/loans/parent_plus_loan1.php. Currently approved PLUS loans will be added to awards in the next few weeks and new PLUS loans will be added as they are approved.

Students with campus jobs: Amounts are estimated maximums. Check with your supervisor for schedule.

* **'2009-2010 General Information'** and **'CGPS Financial Aid Supplement'** can be accessed through our Web page within the menu at the following URL:
