

All Students: The Office of Financial Aid plans to award financial aid to continuing students whose files are complete on Monday, June 22 through Wednesday, June 24. During that time, students will not be able to view the 2009-2010 financial aid information through the Eaglelink portal. Other modules and other aid years are not impacted.

Instructions for navigating the Financial Aid section in Eaglelink are located on the Financial Aid Web page at www.umw.edu/financialaid and can be accessed through the portal.

Continuing Students: Once the awards are complete, a notification will be sent to students with awarded financial aid at their UMW e-mail addresses and will include hyperlinks and/or attachments. **Be sure to print a copy of your award and read all information since hard copies will not be mailed.** You may view your award information through Eaglelink on Thursday, June 25. Future award notifications and requests for documents from the Office of Financial Aid will be sent to students' UMW e-mail addresses. Awards will not be posted for students with incomplete files. Missing documents may be viewed through Eaglelink within 'Financial Aid Requirements' and are coded as "not satisfied".

Freshmen and Transfer Students: The Office of Financial Aid will begin the verification process on Thursday, June 25 and continue until completed. Adjustments to awards will be made accordingly and the appropriate aid will be canceled for students with incomplete files. Missing documents may be viewed through Eaglelink within 'Financial Aid Requirements' and are coded as "not satisfied". Students with adjustments to their awards will receive e-mail notifications to their UMW e-mail addresses. **Be sure to print a copy of your award and read all information since hard copies will not be mailed.**
