

Updated Information Regarding Financial Aid and Cost of Attendance – May 27, 2009

All Students: The Office of Financial Aid has updated the cost of attendance (budgets) in Banner. The revised cost of attendance can be viewed below. All future financial aid awards and requests for documentation will be via UMW e-mail notification. This information is viewable through the Financial Aid Tab in the Eagle Link portal. CGPS students should also review the 'CGPS Financial Aid Supplement' on the [Financial Aid Web](#) page at <http://www.umw.edu/financialaid> within the 2009-2010 menu on the left side of the page.

New Students for Fall 2009: Since the cost of attendance is lower than the estimated amount on original award notifications, some students will experience an adjustment to their awards. In most cases, this will be a reduction in students' loans or a reallocation between the subsidized and unsubsidized amounts. Students may view adjustments (or no changes) to the awards through the Eagle Link portal. **Since revised awards WILL NOT be mailed, be sure to print the award page for your records.** Also, keep in mind that financial aid awards are not final until the Office of Financial Aid completes the verification process during the next one to two months.

Continuing Students: Financial aid awards will be processed between June 17 and 26. Notifications will be sent through UMW e-mail.
