

## **2009-2010 Financial Aid New Procedures and Review**

The 2009-2010 financial aid section in the Eaglelink portal will be activated by end of business on April 6. Students who filed the FAFSA can view the required documents. Students who were not selected for verification may not have any items listed. Instructions for navigating 'Financial Aid Requirements' are on the menu of the Financial Aid Web page at [www.umw.edu/financialaid](http://www.umw.edu/financialaid). The appropriate documentation must be submitted to the Office of Financial Aid on or before May 15. The Office of Financial Aid will send individual e-mails to students (via their UMW e-mail addresses) who need to submit federal tax returns, the verification worksheet or other documents as it is determined that additional items are required. This information is available at any time that the Eaglelink portal is operational. **No other financial aid processing, such as awards or Satisfactory Academic Progress status for fall 2009 has been completed at this time.** Verification information and the 'General Information' document have been posted to the Financial Aid Web page at [www.umw.edu/financialaid](http://www.umw.edu/financialaid) along with other already posted information.

**Fall 2009/Spring 2010 financial aid for continuing students will be awarded in mid June.** Financial aid awards and revised awards will NOT be mailed to students over the summer. Students will receive e-mail notifications (via UMW e-mail) to view their awards through their Eaglelink portals and will need to print their awards if they want a hard copy.

**Reminder: The Scholarship Information Form is due May 30.**
