Appendix 5

Questions for MWC and JMC Administrators

1.   What are the major problems that you see developing in your administrative area as the institution moves to university status?

2.   Ideally, what administrative structure would address these problems?
>   a) In the near term (0-5 yrs)
>   b) In the long term (5-10 yrs)

3.   What would be the most effective administrative organizational structure for the new university? Which functional units should remain merged? Which should be separated between the two campuses?

4.   Does your office see any fundamental differences between the services provided to the two campuses?

5.   Are there things that are needed in your area that we are not currently providing to either or both campuses?

6.   Can you identify resources (staff, space and/or funds) that will be needed by or that can be deleted from your administrative area as the university develops? Identify the parameter that will trigger the change.
>   a. 0-5 yrs
>   b. 5-10 yrs
