### 1. Alumni College: Mary Talks

*Presented by Mark Thaden, Executive Director of Alumni Relations*

- Alumni Relations would like to implement an Alumni College program, which encourages life-long learning from alumni.
- With the technology in the Hurley Convergence Center, they would host virtual "Mary Talks," which would include faculty lectures and a state of the university by the UMW president. It was suggested that others who are not faculty also present content.
- This would be an inexpensive program to run.
- The President's Cabinet gave their support to move forward and suggestions.

### 2. First-Year Survey Results

*Presented by Juliette Landphair, VP for Student Affairs*

- A survey was conducted of first-year students in the class of 2019.
- A total of 147 students participated.
- The feedback from the survey was discussed.
- The results will help determine program planning.

3. Freshmen Meal Plan

*Presented by Jonathan Levin, Provost*

- There is a vocal group of students who have issues with the dining plan and dining services. The main concern is the freshman meal plan requirement, and the lack of flexibility to use their plan at different locations. Upper classmen have the flex plan options.
- The President's Cabinet discussed alternate options, including making freshmen and upperclassmen meal plans equal.

4. Strategic Plan Update

*Presented by Jonathan Levin, Provost*

- The Academic Affairs committee of the Board of Visitors met last week, where they discussed the framework of the draft version of the Strategic Plan that was written by Provost Levin.
