

# 2022 Summer Enrichment Program

[umw.edu/summer/sep](http://umw.edu/summer/sep)  
July 10-16, 2022

## Program Overview

The University of Mary Washington is excited to host our 2022 Summer Enrichment Program from July 10 through 16, 2022.

If you're a motivated student currently in grades 9, 10, or 11, we invite you to participate in this unique one-week residential program. Immerse yourself in a college atmosphere with a balance of academics and fun.

You'll complete three engaging, meaningful courses, some with out-of-class enrichment activities to help you fully explore the content. Recreation and social activities let you connect with other students while exploring the UMW campus and Fredericksburg community.

## How to apply

Applications are available online at [umw.edu/summer/sep](http://umw.edu/summer/sep)

Completed applications are due March 20, 2022.

For more information, contact program directors Michael Stebar and Elizabeth Johnson-Young at [enrichment@umw.edu](mailto:enrichment@umw.edu).

## Courses include:

Secret Languages

Visualizing DNA and Proteins in Augmented Reality

Kitchen Chemistry: The Science Behind the Food We Eat

Computational Physics for Newbs

Experiencing Business

An Introduction to Cybersecurity

Building Time: Investigating the History in Your Everyday Environment

Adventures in Mapping!

Audio Technology and Production

The Realities of Virtual Reality and Augmented Reality

## Cost

A fee of \$950 covers tuition, room and board, course materials, field trip transportation, and recreational activities. Reductions in the fee may be available for some students.
